

poem: a can of maggots to feed on You 11 Feb 2013

**poem: a can of
maggots to feed on You 11
Feb 2013**

we have a major recession, and we have wars to discern, that daily comprise a mis-nomer, in mannerism of decadence the individual psyche` that must and does abjure, while responses to police-State brutality parallels the global climate-Change due the pre-posterous overuse of mining and oil and freshwater resources abused, protestor's are arrested...

prejudice in the court system, anarchist el Presidente's killing civilian's by using drones in Yemen for 10-years w.o. formal Declaration of war, as the illegal and UN-declared war in Afghanistan costing 1.5 trillion dollars continues as though the birds around here would sing if they'd not died from drought and hydrocarbons and chlorinated-water

being a vagrant has become being of homelessness non-INDigency, and beings anar-chist parallel anarchist Oligarch president's more plutocratic for whose taxes are those wars remain burdening their plights on cold concrete sidewalks or asphalt frozen automo-biles stuffed w miser belongings

the clearly daylight has warmed to 2* from -8* @ 5 a.m. as 9 a.m. news is dRones, has winter's consort w 8-inches snow in a correctness not found anywhere-Else laminates atop no reports yet on Libya studies of Radionuclides is disparagingly apparent as disappeared birds, normally chirping chickadees w occasional Ravens at least birds

the bones for the coyotes, are dried, to be fed, at my walk-in ranch rocks formation are also eaten by Ravens, there are no maggots in them, they are dried and not prone to body odor stench of death, no squiggly dead flesh ooze and puss. Nothing to place onto a festering human wound and wrap in gauze when medication is not prevalently available

the medication would not work nor comprise a needful human energy were they oozes or pusses no Radionuclides contaminations, as uranium bombs kills w.i. days to 10- 14 months as in Bosnia, as in Kosovo and in Afghanistan in 2000, my cabin windows are covered in iced-Thick frost,

evidently, I've kept moisture out and my breathing inside—thinking NSDU-238 was knowingly used in wars #'s 1 thru 7, but why & how come the corruption is soooo prevalent, in a primitive way, weigh-INS not allowed by propaganda-Ploys or naught

the people wirkin' today can barely make ends meet, they comprise millions w.o.

mortgages having the crumbling infrastructure not helping to fund the repayments on Banking BAILOUTS, confarbed backwards to cover backwards democracy, the too-Big to Fail, and no-one has arrested those irresponsible coRpoRatists & insiders for NINE-SLASH- ELEVEN explosions-Galore!

while coRpoRate entities are as bad as the gOPS & dEMS in covert allowance usage of CIAs and cover-UP who did destroy the four buildings and did cause murders of 2,900 people's, as I.V.F. (in vitro fertility) & general genetics knowledge and studies in Arab coun- tries is withheld from them, as general public applications suffers

Move to Amend dot org maintains a thrust against coRpoRate Lobbying, as we-People maintain how to comprise Judicial Dept has done the Constitution in there UNconstitu- tional support of coRpoRate Personhood...IMPunity may rule, but we-Peeps do not

regale at their beguile and degeneracy and criminality and brutality..

ending government subsidy of GMO foods would help improve and expand our rail systems—plural,

halt the feeding of maliciousness, even being a petition signateur is democracy- Purpose polemic at wurk democracy in the field of the 99%...
